

## *From the Presidents Desk...*

Now that we are well into April, many of us are getting out and enjoying the gorgeous Spring weather we've had recently. Last Saturday the weather was perfect, and a good size group of members and their goldens came out to Astatula to play in the pond. We greeted a few members whom we hadn't seen in a while, had some good food, and even got to ooh and aah over an adorable 8 week old puppy named Dublin. I think it's safe to say everyone went home with happy, but tired dogs. We have pictures of some of the fun elsewhere in this issue of *Golden Tales*.

Our next meeting will be held at the site of our Tracking test, in southeast Orlando, on **May 2<sup>nd</sup>**. Goldens absolutely love tracking, so I encourage you to come out that morning and watch the teams take on the challenge of following the tracks – it's a great way to get some fresh air! After all of the tracks have been run, and hopefully all of the dogs have earned their "TD" title, we'll have a pot-luck lunch and the May general meeting. Our best estimate is that the meeting will be around noon. For directions to the TG Lee property, log onto [www.mfgrc.org](http://www.mfgrc.org), go to the Coming events page, scroll down to May, and open the Premium list for the Tracking test.

We are continuing to solicit donations to sponsor trophies for our **June 24<sup>th</sup> Specialty**. We have already received a number of checks, and our sincere thanks go out to Nancy Sigmon, Jovonnie Androy, Janet Narushka, Bob & Jeanette Young, Laura & Chris Topping, Connie Adams, Coralee Leon, Pam and Jerry Oxenberg, Karen and Pat Brady, Kasey and Morgan Brooks, Susan and Peter Fitzgerald, Susan Fulenwider, and Ann Rowe. We have many more trophies which need to be sponsored for both our Specialty and the Supported Entry on June 26<sup>th</sup>. If you would like to sponsor any of our trophies, a list of the classes still available is included in this edition of *Golden Tales*. The Officers and Board of Directors say a sincere thank you for supporting MFGRC.

We are beginning to make plans to host another Certificate of Conformation Assessment (CCA) later this year, most likely in September or October. We have again included a basic explanation of the CCA program in this edition of the newsletter. If this program interests you, and you haven't yet touched base with her, please send a brief e-mail to Camille Doehring ([mischiefgolden@juno.com](mailto:mischiefgolden@juno.com)) to let her know that you might enter. Keep watching for e-mails and newsletter flyers for further information as our plans begin to take shape.

Hope to see you soon!

## From the Editor . . .

It's time to do some yard and gardening work at the Wright household. We are tired of the dead stuff, now it's time for color! I have a very bad case of Spring fever this year.

Spring is one of my favorite of Florida's "seasons" because it is still cool enough to enjoy an open window. After this past winter it is so wonderful to have the warm days back again. The pollen is another thing altogether!

We had loads of fun and good food at our Astatula Fun Day on April 10. Speaking of food, please see our recipe section in this issue of Golden Tales. It's something new for us, and I'd like to encourage all of you to submit your recipes for publication.

As usual, there were many wet pups who enjoyed retrieving bumpers in the pond and bumpers in the fields! I'll bet all of them were very tired on their way home. I know Levi was. It was good to see some new faces at the Fun Day, too, and to meet some new members. It was a beautiful day all around.

My afternoon was enlivened by the presence of a horse and a pony at the swimming hole. I wasn't too sure how Levi would react, but the pony didn't seem at all worried. He stood right by my side nuzzling around in my jeans pocket even though there wasn't anything in there. Where's an apple when you need one? He also appreciated a few good scratches around the ears. It's been years since I've touched a horse, and I have to say . . . **IT WAS WONDERFUL!**

I hope all of you are enjoying the glorious weather and look forward to seeing you soon.

Until next month . . .

The MFGRC Board Meeting was called to order by President Debbie Finch at 7:12 P.M. on March 2, 2010 at Rossi's in Orlando.

**Board Members Present:** Debbie Finch, Camille Doehring, John Blair, Rosa Blair, Tom Hell, Susan Fulenwider, and Betty Lambert.

**Vice President's Report:** Shirly Phillips was not at the meeting so there was no Vice-President's report.

**Secretary's Report:** Judi Volpe was not at the meeting so there was no Secretary's report. Judi has forwarded the minutes to Leah for the newsletter, so Camille Doehring did make a motion to waive the reading of the minutes. Susan Fulenwider seconded that motion.

**Treasurer's Report:** In the interest of the Club, we do not publish income information on the Internet.

**Committee Reports:**

**Rescue Reunion:** Debbie reported that there were several Club members who came out to help groom the Golden Retrievers, and \$150.00 was collected. Once again this year, MFGRC will match this amount, and Tom will take care of sending the Golden Retriever Rescue of Mid-Florida a check for \$300.00.

**2010 Match:** This will be held on Ann Rowe's property this coming Saturday, March 6, 2010. Ann has everything under control. Tania Russakov is the Match Secretary, and Robin Senderowitz will be taking care of the judges gifts.

**2010 Specialty:** There was some discussion about trophies, specifically the need to provide something besides wine and wine glasses for the winning Junior handlers.

**DACOF:** With the date being changed this year from the July 4<sup>th</sup> weekend to June 26<sup>th</sup> and 27<sup>th</sup>, there is a strong possibility we will not be able to enter a team this year. Chris Daher has said that she is willing to be the team captain again, but so far only 3 people have responded to her inquiries about being on the team. We would need 9 dogs in order to have a team to enter. Rosa Blair made a motion to have MFGRC scratch their team entry for this year unless Chris reports that more people have contacted her. Camille Doehring seconded the motion. All were in favor.

**DOCOF:** Robin Scott has sent out inquiries about being on the team this year, and so far she has received replies back from enough people to have 2 teams entered.

**Agility Trial:** John Blair reported that he has our new weave poles. John Courtney has been given a deposit to make an extra A-frame and dogwalk for us. The trial will be held at the same location as last year. There was discussion about whether or not to allow mixed breeds to enter our trial this year. A vote was taken, and the results were 6 – 1 in favor of not allowing mixed breeds to enter.

**WC/WCX:** Debbie reported that Deb Farris and Sheree Melhuish are looking around for alternative sites to hold the test this year rather than back at Astatula. A definite date has not been decided on yet.

**Old Business:**

Camille reported that the Heart & Eye Clinics at the Strawberry Cluster in February went very well. She said that both of the doctors commented on how well run the clinics were, and they both expressed an interest in coming back again next year if we have another clinic.

There was discussion about the July and August General Meetings. One possibility mentioned was to hold another grooming seminar at the Hell's in Lakeland one of those months. Tom will have Joanne check their schedule and get back to the Board on which month would be better for them.

The scheduling of Board Meetings was mentioned. At the January planning meeting it was decided to hold them on Monday nights each month. However, for various reasons that has proven to not be a good night the past couple of months. It was decided that we would take a look at it on a month to month basis, with the possibility of having them on Friday nights being considered.

Becky Nicholas has submitted a proposed agility point schedule for MFGRC's Agility Dog of the Year Award, and there was discussion about this. The main change would involve discontinuing the bonuses for placements. This has come up because the preferred classes are very small in comparison to the regular classes, so placements in those preferred classes really cannot and should not be compared to earning a placement in the regular classes. John Blair made a motion to accept the point schedule as proposed by Becky. Camille Doehring seconded the motion. All were in favor.

**New Business:**

Betty shared a letter she had received from Ron Plusk, 2010 GRCA Raffle/Auction Chairman, writing on behalf of the Mile Hi Golden Retriever Club, sponsoring Club for this year's National Specialty. They are looking for clubs to consider participating in the daily raffles by donating a basket that is unique to their club or area of the country.

There was discussion about whether or not we should try and hold another CCA this year. It was suggested that we should send out a mass e-mail describing for the members exactly what a CCA is, and asking for their input and interest in participating in this. Camille stated that she would be willing to be the Secretary for it once again this year if we do have one. Therefore the e-mail will ask that any members interested in having a CCA this year contact Camille via e-mail.

Rosa Blair brought up the idea of having a Sunshine person, preferably a Board member, who would have the responsibility of sending out cards to members to acknowledge their loss of a family member or a dog. Cards would also be sent out to thank Club members for going above and beyond to help out at meetings and/or events. Susan offered to take on this task if no one else is interested in doing it.

There was a brief discussion about having someone do an ad for the National Specialty catalog again this year. Debbie said that she will check with Leah and see if that would be something she could do for the Club.

The next General Meeting will be held at the Match on Saturday, March 6, 2010. The next Board Meeting is tentatively scheduled for Wednesday, April 7, 2010, at Rossi's in Orlando.

A motion to adjourn was made by Tom Hell. The motion was seconded by Rosa Blair. The meeting was adjourned at 9:04 P.M.

**These minutes were taken and submitted by Betty Lambert in Judi Volpe's absence.**

**GOLDEN TALES APRIL 2010**

President Debbie Finch called the meeting to order at 2:30PM at the home of Ann Rowe, at the conclusion of today's Match.

Due to Judi Volpe's absence due to assisting over in the Obedience ring, there was no Secretary's report.

Treasurer Tom Hell was absent, but Debbie reported that the Club is in good shape financially. The specific numbers will be in the newsletter in the minutes from the March 2<sup>nd</sup> Board of Directors meeting.

### **Committee Reports**

Debbie presented Committee Reports:

May 2<sup>nd</sup> is the Tracking test at the TG Lee property in Orlando;

June 24<sup>th</sup> is MFGRC's Specialty; we need volunteers to help steward for Rally and Obedience classes;

DACOF – due to the conflict with dates, we do not expect to have a team entered this year;

October 30<sup>th</sup> – 31<sup>st</sup> is our all breed Agility Trial at Turkey Lake Park;

We are starting to work on planning for the WC/WCX test, which is a GRCA hunt test; we are looking for suggestions for judges; please e-mail Chairperson Deb Farris.

### **Old Business**

Debbie discussed the Heart & Eye Clinic that was held recently in conjunction with the Strawberry Cluster in Lakeland. It was very successful, doing 49 eye exams and 49 cardiac exams.

The Rescue Reunion on February 27<sup>th</sup> experienced really bad weather, which adversely impacted the attendance, so this year we only groomed 15 dogs, and raised \$150 for GRRMF. We will match that amount from the MFGRC treasury.

### **New Business**

Debbie discussed the possibility of MFGRC hosting a CCA event again this year. CCA is a Certificate of Conformation Assessment, and is a GRCA program designed for dogs at least 18 months old that are not shown in the breed ring. Camille Doehring described the program as a non-competitive evaluation in which the judges do a written and verbal critique of each dog. We need to have close to 24 dogs entered to approach a financial break-even point, due to the expense involved in bringing in 3 evaluators. The entry fee is expected to be approximately \$75. We plan to hold the CCA in August or September.

Debbie announced that we are looking for ideas for the July and August general meetings. If you have any suggestions, please send Debbie an e-mail.

Debbie reviewed the upcoming events on the club calendar for May and June.

A suggestion was made to get e-mails out earlier about upcoming events, as some people did not know about the Match until just a couple of days ago.

**Debbie** adjourned the meeting at 2:52PM. Motion to adjourn was made by Karen Angel, and seconded by Susan Wilks.

*Minutes were taken by Robin Senderowitz and submitted by President Debbie Finch in Judi Volpe's absence.*

## **Certificate of Conformation Assessment (CCA)**

(Source: [www.GRCA.org](http://www.GRCA.org))

### **What is a CCA?**

A CCA evaluation is a non-competitive area of participation in conformation where golden retrievers are evaluated against the Breed Standard. The owners are given a written assessment of their dog, which provides information not available in the show ring. The CCA tests each individual dog in ten categories on physical conformation and temperament. Three evaluators are used, of which two must be licensed AKC judges and golden retriever breeders, and are chosen because of their experience and background.

The CCA is open to all registered or ILP goldens over 18 months of age, including those dogs which have been spayed or neutered.

In addition, passing the CCA provides one conformation point, which can be used toward the GRCA Versatility titles (VC, VCX).

### **What are the qualifications for evaluators?**

Category I evaluators must be approved AKC or CKC judges in good standing, are Golden breeders and/or have had at least two years of experience in judging Golden Retrievers.

Category II evaluators must be a breeder and owner of Golden Retrievers with ten years experience in Golden Retrievers; has bred at least three Golden Retriever litters; and has owned at least five different Golden Retrievers with any of the following titles: (a) AKC champion; (b) AKC UD or TDX; (c) AKC MH, SH; (d) AKC AX or AXJ.

All evaluators must have an understanding of retrievers and sporting dogs, including the purpose and function of the Golden Retriever. Evaluators must also be familiar with the process of evaluating dogs against the breed standard, rather than simply comparing dogs to each other. Evaluators must also be willing to give a written opinion on each dog.

For more information, see the attached "Frequently Asked Questions". Additional details on the CCA are also available on the GRCA website at [www.GRCA.org](http://www.GRCA.org).

## Certificate of Conformation Assessment (CCA) FAQ's

### 1) What is the original intent of the CCA?

Twofold: (a) to provide a NON-COMPETITIVE area of participation in conformation where dogs are assessed against the Breed Standard rather than merely against other dogs present and (b) to give owners written reports as to the evaluators' assessments which will provide information not available in the show ring.

### 2) How does the CCA compare to other basic non-competitive, entry level tests offered to Golden Retrievers?

Both the Hunt Test and WC programs require an average passing score of 7 points in all categories and the number of attempts is not limited.

The CCA program is also on a point scale requiring the dog to score a minimum of 75 or higher out of 100 possible points, broken down into ten categories. A non-competitive CCA event tests the individual dog on the physical conformation and temperament qualities as set forth in the Breed Standard. There is a limit on the number of attempts that can be made. It also has a mandatory pass for temperament and sets a minimum age of 18 months. While the conformation quality of a retriever MAY improve with maturity and conditioning, the basic structure changes very little.

The CCA, WC, and Hunting Test programs are similar in that they all reward very good to excellent representatives of the breed by comparison to an impartial criteria without bias or dog-to-dog competition, and they all test the desired physical and/or mental attributes of a sound hunting companion.

### 3) Why have a seemingly high percentage of dogs passed so far?

In most cases people are not likely to enter their dogs if they don't have a reasonable expectation of qualifying, so poorer dogs will not often be entered. If the quality of the dogs entered is high enough it is conceivable that all could pass. The success of the program cannot be based on how many pass or fail.

### 4) Is there any difference between a CCA from three Category 1 evaluators versus a dog that obtains the title from a panel that was not all from Category 1?

No. All evaluators are chosen because of their experience and background and a willingness to give a written opinion and scores. At least two of the qualifying scores must come from Category 1 evaluators in order to obtain the title.

### 5) Why wouldn't GRCA require all CCA evaluators to have bred, exhibited and had success with Golden Retrievers only?

There are certainly knowledgeable and capable people judging Golden Retrievers for the AKC whose primary breed is not ours, and many who come from other Groups as well. They add their wider experience to the pool of evaluators, and there is a place for varying emphasis within the program, just as there is in the show ring. There are also performance people who have a strong dual knowledge of what is required to produce physically good retrievers.

### 6) How many evaluators are there?

Approximately 4 dozen presently. We initially invited all breeder-judges of Goldens to apply and more than half of them did. Some people applied through the form posted on the website. A number of versatile breeder-exhibitors are being contacted to expand the Category 2 listing...not all experienced people necessarily want to become AKC judges. In order to make the program viable for hosting clubs a broad geographical listing is desirable.

### 7) How does the CCA Title add point value to the VC/VCX Program?

Listed below are reasons the CCA adds value and how it could compare to other titles:

Limited tries, a dog can't campaign indefinitely for this title.

Qualified Evaluators with breed experience.

In-depth evaluation of the Goldens conformation not biased towards styles or trends and focused on breed purpose.

Open to all registered or ILP Goldens over 18 months of age including those which have been spayed or neutered.

No limit to how many dogs can earn this title in a calendar year. Which means if our breeders are breeding more dogs to the standard there is no penalty because of sheer numbers.

Other entry level titles have unlimited tries and can be trained with limited experience and inherited basic instinct.

Many titles that are awarded a high point value in the Versatility titles have no relation to the standard. They require a trained and talented Golden.

Many Goldens with good to excellent conformation will not be campaigned in the show circuit due to time, money or interest.

If we only scored the field titles based on competitive dog comparisons then none of the WC programs or Hunt Test Programs could count towards a Versatility title because there is no comparative judgment in those events.

Although this is not an official temperament test it is a component of the CCA title.

Experienced breeders and competitors who are not approved AKC judges may qualify and make a difference by becoming CCA Evaluators.

We have put faith in our evaluators, that they award very-good to excellent representatives of the AKC Golden Retriever Standard with a CCA title.

**8) Why does the CCA limit attempts to only six evaluations and why can you see such a difference in scores between some of these evaluations?**

The primary objective of the CCA Program is to be very rewarding as an educational experience. The goal of the program is to have everyone walk away with respect, admiration for their Golden and a good understanding of the breed standard. Secondly, we put faith in our qualified Evaluators to be objective, educational and reward (with qualifying scores and honorable mentions) good to excellent representatives of the breed in relation to the standard regardless of styles or trends etc. The scores will always differ to varying degrees since the standard leaves room to be subjective. However, the key to managing these differences is to award a dog that is ABLE to obtain three qualifying scores or honorable mentions from the 3 different Evaluators in a limited amount of tries regardless of individual preference or style. The limit was never meant to weaken chances at a title; it was put in place as part of the requirement to earn a CCA Certificate. The requirement being, the dog must receive a qualifying score or honorable mention at a MINIMUM of 50% of its evaluations without the owner/entrant being able to select the Evaluators individually.

**9) Can you enter under the same Evaluator twice?**

As a participant you will always have the right to choose the CCA Events you wish to enter but the dog must be entered under all the Evaluators on the premium list. A dog may be entered under the same Evaluator twice but only one qualifying score may count towards a CCA certificate. Entering under the same Evaluator could lessen your chances of earning the CCA title if you already have a qualifying score from that individual. However, if a previous score wasn't qualifying there is always a possibility the dog may receive a better score the second time under the same Evaluator. Dogs can look different on a different day.

**10) What do I bring to a second event if my dog has qualifying scores from a previous event?**

It is a good idea to bring the paperwork showing previous qualifying scores with you. Make sure the CCA Event Secretary is aware of your prior passes when you arrive at the second event or send a note along with your entry form. Also, we would hope and expect people to honor an entrant's word and everything is verified with the CCA Committee before the actual certificates are mailed out.

**11) May the host club limit how many dogs an individual owner can enter?**

The CCA Committee does not place any restrictions on host clubs regarding limits except that only 1 entry per dog may be accepted. An example of a host club limitation might be: "No owner may have a second dog chosen unless the first dog of all applicants have been accepted." The host club may also choose NO limits or to limit owners to two or three or four dogs in an effort to be fair to all applicants. It is our hope that many future events will meet demand and host clubs will not have to favor limits.

# DOCOF

Hi Members - -The year is rolling past at a very fast speed. It will be summertime before you know it.

DOCOF - Dog Obedience Clubs of Florida's annual competition is Labor Day weekend. Our teams, and I do mean plural -- are filling fast. We have one or two openings and as soon as those are filled - we can start a third team -- for the first time in the history of MFGRC competing.

If you are interested in being on the Team -- and have not already notified me -- please send me an e-mail at [fourdogsr@embarqmail.com](mailto:fourdogsr@embarqmail.com) as soon as possible and let me know what level you and your dog are working at. Please don't think you have to be asked individually - this is your invitation to let me know you want on the team.

# WANTED: TRACKLAYERS

**WHAT WE NEED:** A few good members willing to be on the Tracking committee and to lay tracks on May 1 and 2, 2010.

## WHAT YOU WILL NEED TO DO:

- ❀ ❀ ❀ ❀ ❀ Show up for most of the Saturday of May 1, 2010, and the morning of Sunday, May 2, 2010.
- ❀ ❀ ❀ ❀ ❀ Be prepared to plot and lay a track on Saturday with the judges, and then again on Sunday all by yourself.

## WHAT YOU WILL RECEIVE:

- ❀ ❀ ❀ ❀ ❀ An astounding amount of knowledge while walking with the judges, on how tracks are planned, and laid;
- ❀ ❀ ❀ ❀ ❀ A wonderful feeling of having helped, and hopefully, laying, one of the tracks on which a team earns their TD;
- ❀ ❀ ❀ ❀ ❀ The club provides small snacks for breakfast each day, and also lunch each day.

You will be both helping out the club - and also learning about Tracking!  
 This will count for volunteering at a club function for the End of Year Awards.  
 You will be tired after the test on Sunday, but it will be a "good" tired.

IF you DON'T have a dog that will be ready in May - we can really use your help!
