## From the President's Desk

June 2026

The MFGRC has a lot to celebrate this summer, as we just finished hosting the GRCA Eastern Regional in April. Thanks to the hard work of our club members, it was a great success with a large entry and wonderful judges in each venue. We have several exciting speakers and seminars coming in June and July, so it will be a good opportunity to keep learning even during the heat of the summer when our outdoor events are limited.

Our monthly field training days will continue, and we now have multiple locations to hopefully make it more accessible for members that live throughout our region. Then in August we have our Obedience and Rally Trial to look forward to in Orlando.

We have a few volunteer positions that have just opened up, so if you'd like to get more involved in the club, please refer to our website to see what is needed.

*Best,  
Robin Burket*

## Welcome New Club Members!

We're thrilled to have you join our club! Whether you're here for companionship, competition, or simply to connect with others who share your passion for these wonderful dogs, you've found the right place. Our club is dedicated to promoting the health, happiness, and versatility of Golden Retrievers through education, events, and responsible ownership. We offer a variety of activities—from obedience and field training to social events and breed education—so there's something for everyone. We encourage you to get involved, ask questions, and most importantly, have fun. Our members are always happy to help, and we can't wait to get to know you and your Golden better.

# Mid Florida Golden Retriever Club Health Clinic

## May 2026

The MFGRC wants to thank everyone who contributed to the club's annual health clinic, it was a resounding success.

To all of our volunteers—from those who helped with setup and check-in to those who kept things running smoothly throughout the day—your time, energy, and dedication are truly appreciated. These clinics couldn't happen without you, and your efforts made a real difference for both our members and their beloved Golden Retrievers.

To our participants, thank you for prioritizing the health and well-being of your dogs. By attending and supporting these screenings, you're not only helping your own dogs thrive—you're also contributing to the overall health of the breed we all love so much.

We're proud to be part of a club that values both community and canine care. Thank you for being a part of it!

Stay tuned for updates on future health-focused events—we can't wait to do it again next year!

A cool morning in the upper 50s gave way to a glorious Spring Day in Paisley, Florida. With afternoon temperatures hovering near 80 and a steady east wind everyone stayed comfortable. The conditions couldn't have been better for the Mid-Florida Golden Retriever Club's WC/WCX test held in conjunction with the GRCA Eastern Specialty.

Judges Kelli Riggs and Sue Barnett greeted the WCX handlers at 8:30. They explained the test and went over the rules. Then the test dog came to the line to demonstrate the test. The test began with a triple mark on land. The triple included a shot flyer as the third bird thrown, or the go bird. All three were thrown from left to right into medium cover. The first mark landed about 45 yards from the line and was to the handler's right. The second mark was out in front of the line about 52 yards away. The third, the flyer, was thrown against a backdrop of oak trees and landed approximately 65 yards from the line. Fifteen dogs came to the line. Most of the dogs were well prepared and were able to handle the test. On to water.

The WC land series began following the WCX land series with the same two judges going over the rules, answering questions, and doing their best to put the many novice handlers at ease. To make efficient use of time, and to minimize the amount of equipment that had to be moved, the judges used two of the marks from the WCX, moving the line to a different position to give the dogs a different look and line through the cover than the WCX dogs had. The first series was a double. Both birds were thrown left to right. The first landed about 45 yards away through medium cover to the handler's right. The second bird was also thrown in medium cover about 50 yards away, off to the handler's left, at about a 120-degree angle from the first bird. Twenty-four dogs came to the line in the WC first series. The novice dogs performed well, showing off the good amount of training they had received.

After a short lunch break, everyone moved to the water part of the test. The WCX dogs again ran first. They were required to retrieve a double mark in the water, then honor the next dog that ran. Both birds were thrown right to left. The first bird landed across the pond out in front of the line, at the water's edge 35 yards away. The second bird came off the right shoreline landing approximately half-way across the pond. The large number of lily pads made the retrieves quite challenging to find. Most of the dogs were able to complete the retrieves, but the honor at the end claimed more than one dog.

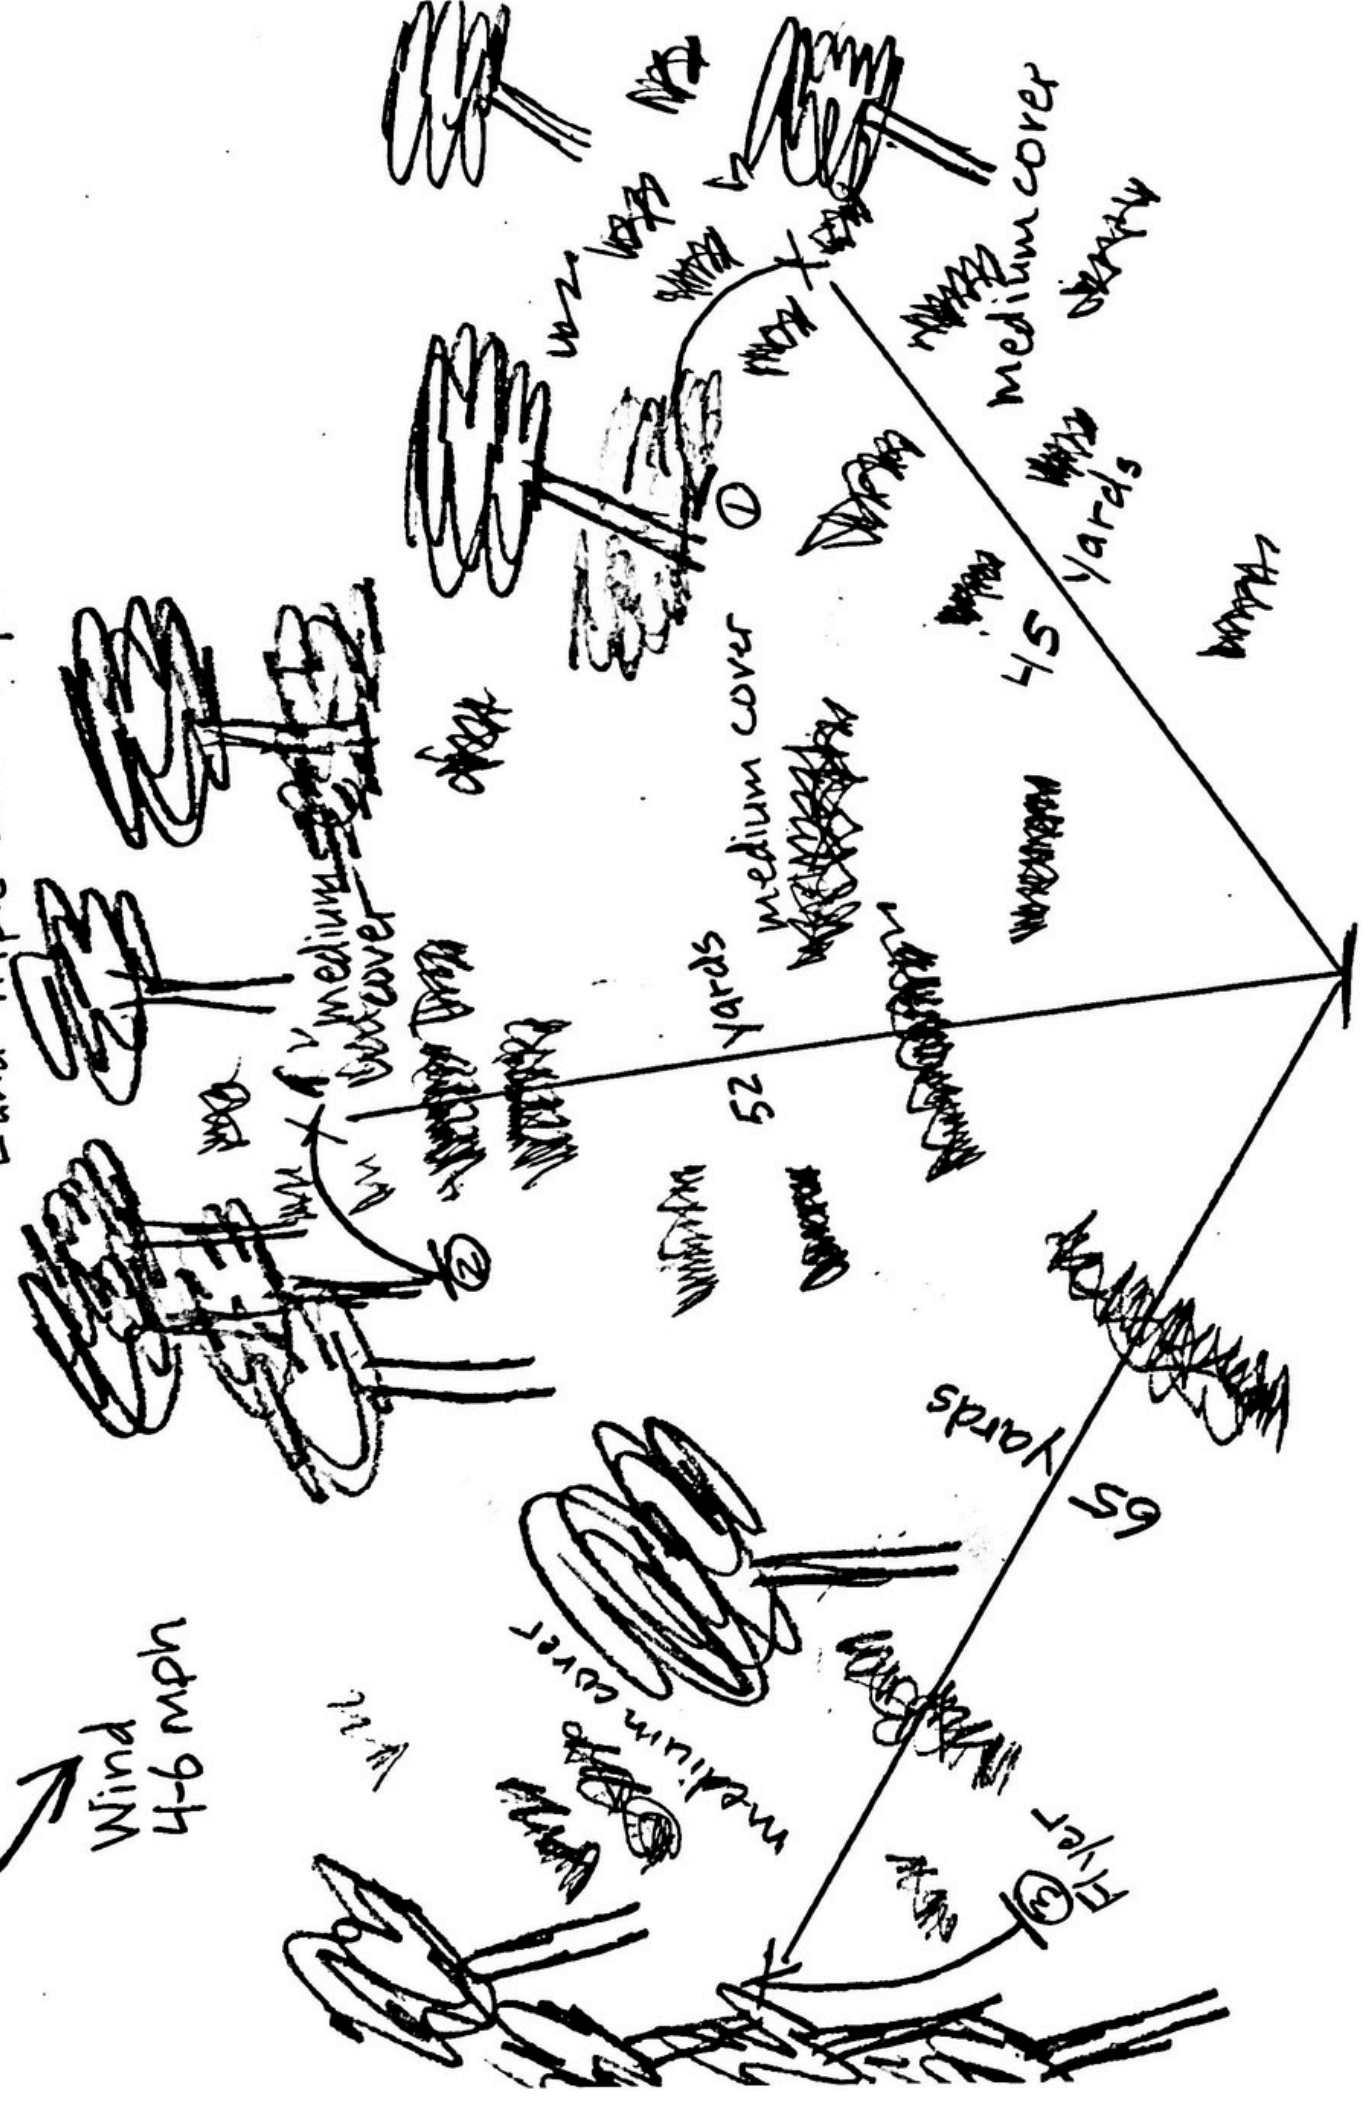

The WC dogs were up next. They were required to retrieve two single marks; both being thrown left to right. The first mark was thrown from across the pond to the right of the line. Landing in lily pads about 30 yards from the line, it proved to be quite challenging for the

novice dogs. The second bird came off the shoreline to the left of the line. Landing 25 yards away in a clear patch of water, it turned out to be the easier of the two retrieves.

At the end of the day, the ribbons were handed out to the dogs that passed, and pictures were taken to document all the handlers and dogs that passed both parts of the tests. Of the 15 dogs that started the WCX, a total of 11 passed. That is a large percentage for an advanced test. It shows the large amount of training that went into preparing the dogs for the test. Of the 24 dogs that started the WC test, 12 went home with a passing score and a ribbon. The number of Golden Retrievers that are passing field tests keeps increasing as time goes on. This is a positive trend, and it is a result of programs like the MFGRC monthly field training sessions as well as the dedication of Golden owners to maintain the breed's field ability. Let's hope this trend continues.

# Upcoming Field Training 2026

Ready to get your Golden out in the field? Whether you're new to field work or preparing for your next test, our Field Training Day is the perfect chance to practice, learn, and have fun with your dog!

 Location: Brian Parker's Property — 29536 CR 42 Paisley, FL 32767 and Double R Dog Ranch in Dunnellon, FL (land only)

 Date: Once a Month (each location)

 Time: 8:30am

## Details:

1. How many dogs are you bringing?
2. What level are they in their training?
3. Anything specific you would like help with?
4. Are you willing to run a set up or drill?

We'll be working on retrieving skills, water marks, land marks, and more, with guidance available for all experience levels. Bring your enthusiasm, your dog, and any training gear you use—we'll provide birds and setup support.

All Golden Retrievers (and handlers!) are welcome—come out and enjoy a great day of training and camaraderie.

# Mid Florida Golden Retriever Club Eastern Regional *Golden Daze*

May 2026

I want to thank everyone who supported this Eastern Regional event by entering, attending and being a part of the celebration of our Golden Retrievers. What a joy it was to watch the dogs and handlers in the ring. Despite the blazing sunshine and the lack of shade our beautiful Goldens showed their emblematic joy for life and beautiful spirit. How lucky we are to be partners with this glorious breed!!

So much of the success of events like this rest on the shoulders of the people who are selected to judge our Goldens. I want to thank our judges for helping to make our event a huge success. Our judges were thoughtful, fair and so obviously loved the job they were tasked with.

Thank you Britt Jung for agreeing to be our Sporting judge. You did a wonderful job and displayed strong knowledge of our breed.

To Berna Welch, what can I say? Your humor made showing and watching so much fun. Thank you.

To Barb Madrigrano, thank you for judging our Independent Specialty. You were a joy to work with and a joy to watch you judge.

To both Berna and Barb, your years of experience and your success as breeders of Golden Retrievers were evident in your thoughtful, consistent and fair judging. Your obvious love for the Golden Retriever made these events so special for the exhibitors and the spectators. What more could we ask for?

Thank you to our sweepstakes judges Mary McElroy, Cindy Williamson and Bryana Pierce. As with the regular Judges, your enjoyment of the task and your love for Goldens was quite evident in the care and thoughtfulness you showed each exhibit. Thank you so much to my amazing team.

Morgan Brooks, you promised and you delivered. I knew if you said you were doing it, you did it. It means the world knowing I could trust that everything would get done. Also, thanks for all the lessons in how to make things work for the Pro's that came out in full support of our shows. All the fun things that happened throughout the show were, in large part, due to Morgan.

To Robin Bowen, I don't have all the words to express my gratitude for EVERYTHING you did. You gave so much more than the mega raffle. And what an incredible raffle it was. You never said "no" and you got more things done than seems possible for one person to accomplish. You were there every step of the way and pushed me to keep going when things got "rough". The show would not have happened without you and Morgan.

To Kristin Sipus, our WC/WCX Chair, Susan Sherman our Obedience/Rally Chair and Amanda Fell our CCA Chair. Kudos to all of you. I heard so many compliments on the efficiency and fairness of each event. I knew I could depend on you to get the job done and it was wonderfully done. Thank you.

Julie Wangelin, your fundraising expertise saved the day for us. Thank you for that. And thank you, despite all that was happening, for being there when needed and for all the Florida/Flamingo touches that made the days fun. That was exactly the point. All those little touches found around the site were compliments of Julie. Thank you.

Cindy Patz, WOW, JUST WOW. Your work on the daily hospitality events was nothing short of spectacular. The creativity never stopped and you literally never stopped moving. I am happy to say (you are probably not as happy) you have earned the title (along with all the responsibilities) of Lifetime MFGRC Event Planner.

To everyone else that helped along the way – Ellen Bartkus for being by my side till the bitter end. Jennifer Hoffman, thank you for the donation of the wine, for taking care of all the hospitality needs and for running wherever and whenever needed. We appreciate you so much. To Kasey Brooks, yum. What a feast you created!! Something tasty for everyone. To Shirl Phillips, Betty Lambert, Sharon Williams, Rhonda Hitchcock, Susan Sherman, and all the other people who helped along the way. I don't want to miss anyone so please know we appreciate all that you do. To our wonderful club members and all those who supported our trophies. There were a lot of them and as has always been the case, you came through each time. You make our club events successful.

To Royal Canin and their representatives Gail Pertkin and Evie Lorie, THANK YOU. THANK YOU. THANK YOU. Your huge support was a major reason for the overwhelming success of our specialties.

In conclusion, I would like to acknowledge Paula Vester and Dave McNiff. Thank you, thank you, thank you. You are an amazing superintendent. Your patience with me was so appreciated. You made a seemingly insurmountable task a little less daunting. I would choose you every time.

*Best, Camille Nasca*

# Summer SAFETY TIPS

## FOR YOUR GOLDEN

Keep your Golden Retriever safe, healthy and happy all summer long!

### BEAT THE HEAT

Avoid strenuous exercise during peak sun hours (10am – 4pm). Opt for early morning or evening walks.

### STAY HYDRATED

Always provide plenty of fresh, cool water. Hydration is key!

### HOT SURFACES

Check pavement, sand and deck surfaces. If it's too hot for your hand, it's too hot for their paws.

### NEVER LEAVE YOUR GOLDEN

in the car. Temperatures can rise dangerously fast, even with the windows cracked.

### WATER SAFETY

Whether at the beach, lake or pool, supervise your Golden at all times. Not all dogs are strong swimmers.

### TICK & FLEA PREVENTION

Summer means more pests. Use vet-approved preventatives and check your Golden regularly.

*A little planning goes a long way*
