Does your dog love to swim?
Does he love to retrieve a toy, a tennis ball, a bumper?
Do you love doing things with your dog?
Looking for an exciting activity for you and your dog?
Why not try dock diving?

Dock diving is a fun sport for both you and your dog. Nothing complicated, just an exciting way to get your dog retrieving off a dock. Join us on October 14 to learn about the sport and watch your dog as he/she learns the ropes. You can watch your dog grow from short simple dives/retrieves to distances that will amaze you. Is your dog a seasoned dock diving expert? Are you looking for a new place to train, to get your dog in the pool just one more time, to strengthen your relationship? Why not join us on Saturday, Oct 14 for MFGRC's fun dock diving event?

This year, in order to give each dog and handler an opportunity for multiple dives, we are offering two 4 hour diving shifts, 8am - Noon and Noon - 4pm. Indicate your preference on the registration form.

Please bring your dog's favorite retrieving water toys, bumpers..., plenty of water for your dog and refreshments/lunch and a chair for you. There are plenty of shady areas for parking and room for EZ up tents.
